Dear sir,

I send to you herewith my entry blank listing my entries for the coming May Show.

At the last May Show '45, in conversation with Mrs Paul Smith, she seemed to think as I had occasionally had work accepted at the May Show, that I should fill out a form for their file, a sort of case history. I told her that I was just an amateur and a nobody in the art world. She said that did not make any difference and that they would like to have it. I am therefore sending it herewith.

Sincerely

E. R. Woodruff
